

Curriculum Vitae

Name: Varisara Chantarasorn MD
Address: 12 Soi Boonchusri, Dindang Rd.
Bangkok 10400, Thailand
Date of birth 29 December 1977
E-mail: varisarac@gmail.com
Telephone: +66-81-813-5027

Secondary Education

- High School:
1989 – 1995 Stri-Vidhaya Secondary School
Bangkok, Thailand
- Medical School:
1995 – 2001 Faculty of Medicine, Chulalongkorn University
Bangkok, Thailand

Qualification:

- Medical Degree
2001 MD, Chulalongkorn University, Bangkok, Thailand.
- Postgraduate Qualifications
2005 Graduate Diploma of Clinical Sciences in Obstetrics
and Gynecology, Chulalongkorn University,
Bangkok, Thailand.
2007 Board of Obstetrics and Gynecology
2009 Clinical Fellowship in Urogynecology
Nepean Clinical School, University of Sydney,
Australia

Practicing History:

- 2001 – 2002 Internship at Queen Sawang-wattana Memorial
Hospital, Sriracha, Choburi province, Thailand.
- 2002 - 2004 General Practitioner attached to Department of
Obstetrics & Gynecology, Queen Sawang-wattana
Memorial Hospital, Sriracha, Choburi province,
Thailand.
- 2004 – 2007 Resident, Department of Obstetrics & Gynecology,
Faculty of Medicine, Chulalongkorn University
Bangkok, Thailand
- 2007 – 2008 Obstetrician and Gynecologist, BNH Hospital
Bangkok, Thailand

2008- 2009	Clinical Fellow in Urogynecology, Nepean Hospital Nepean Clinical School, University of Sydney, Australia.
2010-Now	Urogynecologist , Samitivej Hospital
2011-Now	Urogynecologist, Bumrungrad International Hospital

Licensing/Membership:

- Medical Practitioner License No. 26575 issued by The Medical Council of Thailand, April, 2001
- Board of Obstetrics and Gynecology issued by The Medical Council of Thailand, July, 2007
- Member, The Medical Council of Thailand.
- Member, The Royal Thai College of Obstetricians and Gynecologists
- Member, International Urogynecological association (IUGA)
- Committee Member, Thai Urogynecologists society

Special fields of interest

- Urogynecology
- Imaging in Urogynecology, pelvic floor ultrasound

Special training:

- July 2007: Observation Internship at Kaiser Permanente Hospital, San Diego, USA

Presentations:

- **“The effect of vaginal childbirth on levator hiatal dimentions”**; Presented at 38th Annual Scientific Meeting, Australasian Society for Ultrasound in Medicine, 18-21 September 2008, SKYCITY Auckland Convention Centre, Auckland, New Zealand
- **“Can levator avulsion be diagnosed by 2D translabial ultrasound?”**; Presented at 38th Annual Scientific Meeting, Australasian Society for Ultrasound in Medicine, 18-21 September 2008, SKYCITY Auckland Convention Centre, Auckland, New Zealand
- **“Required levator distension in vaginal childbirth”**; Presented at 38th Annual Scientific Meeting, Australasian Society for Ultrasound in Medicine, 18-21 September 2008, SKYCITY Auckland Convention Centre, Auckland, New Zealand
- **“The effect of levator avulsion on hiatal dimensions and function”**; Presented at 38th Annual Scientific Meeting, Australasian Society for Ultrasound in Medicine, 18-21 September 2008, SKYCITY Auckland Convention Centre, Auckland, New Zealand
- **“How important is the puborectalis muscle for anal continence”**; Presented at 38th Annual Scientific Meeting, Australasian Society for Ultrasound in Medicine, 18-21 September 2008, SKYCITY Auckland Convention Centre, Auckland, New Zealand

- February, 2009: Speaker on the topic of “Pelvic Floor Assessment in Gynecology” in “Pelvic Floor Assessment Seminar” at the Nepean Clinical school Education Center, University of Sydney, Australia
- **“Levator Avulsion is not associated with fecal incontinence”** ; Presented at 34th annual meeting of the International Urogynecological association (IUGA), June 2009, Como, Italy.
- Speaker on **“Imaging of the implants”** for Pelvic floor ultrasound workshop at 12th World Congress of the World Federation for Ultrasound in Medicine and Biology, 30 August – 3 September 2009, Sydney Convention & Exhibition Centre, Sydney, Australia.
- **“Do levator defects increase the risk of prolapse recurrence after pelvic floor surgery?”**; Presented at 39th annual meeting of the International continence society (ICS), 29th September – 3rd October 2009, San Francisco, USA.
- **“Can levator avulsion be predicted antenatally?”**; Presented at 39th annual meeting of the International continence society (ICS), 29th September – 3rd October 2009 San Francisco, USA.
- Speaker on **“Ultrasound imaging of mesh and slings”** for Pelvic Floor Ultrasound workshop at 39th annual meeting of the International continence society (ICS), 29th September – 3rd October 2009 , San Francisco, USA.
- **“Mobility of the perineal body before and after childbirth”**; Presented at joint annual meeting of the International Continence Society (ICS) and the International Urogynecological Association (IUGA), 23-27 August 2010, Toronto, Canada.
- **“Understanding the pelvic floor through ultrasound”** IUGA regional symposium, Japan 2017

Awards:

- Isobel Corin Research Award 2009, Nepean Clinical School, University of Sydney

Academic activities:

- Reviewer for International Urogynecology Journal
- Reviewer for Ultrasound in Obstetrics and Gynecology
- Reviewer for The Australian and New Zealand Journal of Obstetrics and Gynaecology
- Reviewer for International Journal of Medical Sciences
- Lecture medical students at Nepean Clinical School, University of Sydney
- Conducting pelvic floor ultrasound research projects with Chulalongkorn University in Bangkok and University of Sydney.
